

JERICO P. STA. ROMANA

IT System Support

jerichopantilgan@gmail.com | 09610070692 | Sector 5, Consuegra, Bangar, La Union

SUMMARY

I am a motivated Software developer who enjoys building reliable and user-friendly applications. I developed, tested, troubleshoot, and improved software while collaborating with teammates to deliver high-quality solutions on time. I am passionate about continuous learning and problem-solving, with skills in programming, debugging, troubleshooting, database management, version control, and teamwork.
